

# Metro Wire Welcomes New Faces

Several new faces can be seen around Metro Wire and Cable Corp. (MWC), and we are pleased to announce the following hirings:

- Liz Hunsanger (Controller): Liz, a financial and accounting professional with over two decades of experience, joined MWC as Corporate Controller. Liz will provide leadership with all financial operations. Liz can be reached at 1-586-264-3050 or [lhunsanger@metrowire.net](mailto:lhunsanger@metrowire.net).
- Antonio Cantrell (Warehouse Associate/Atlanta): Antonio has joined our Lawrenceville, Georgia distribution facility. Antonio will be interfacing with customers on job-site deliveries and accurate order preparation. Welcome, Antonio!
- Dan Enzor (Sales Consultant/Detroit): Dan has joined our Sterling Heights, Michigan sales team to focus on industrial, OEM, and low voltage industries and MWC's clients that work within these industries. Dan comes to MWC with a strong consultative selling background and can be reached at 1-586-264-3050 or [denzor@metrowire.net](mailto:denzor@metrowire.net).
- Connie Reick (Office Administrative Assistant/Detroit): Connie has re-joined the MWC Team in a new capacity and will be the first voice many will hear when calling our Corporate Headquarters in Michigan. Connie will handle many day-to-day key responsibilities to ensure MWC is efficient and our customer experience is exceptional. Connie can be reached at 1-586-264-3050 or [connie@metrowire.net](mailto:connie@metrowire.net).
- Evangeline Rodeghiero (Sales Consultant/Atlanta): Evangeline, an industry veteran, has joined our Lawrenceville, Georgia sales team to focus on industrial, utility, low voltage and OEM partnerships with our current and future customers. Evangeline brings a rich industry and product knowledge with her to MWC and we are excited to have her on the team. Evangeline can be reached at 1-770-995-3700 or [erodeghiero@metrowire.net](mailto:erodeghiero@metrowire.net).

With locations in Michigan, Georgia, and Iowa, MWC specializes in working alongside public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire & Cable provides value added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.

## About Metro Wire & Cable

Metro Wire & Cable, one of the Nation's top two hundred electrical distributors, provides warehousing, supply chain, and delivery services of wire and cable products for a broad spectrum of markets. These markets include public utilities, electrical contractors, wind farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire, founded in Detroit, Michigan in 1976, established its Southeast Regional Distribution Center in Atlanta, Georgia in 1981, and it's Midwest Regional Distribution Center in Iowa City, Iowa in 2008. The company, now headquartered in Sterling Heights, Michigan, maintains extensive inventories tailored specifically to customer requirements at each location.
